**Sponsor a Horse Today!**

Sponsors help offset the cost of caring for our rescue equines. Animal Guardians Horse Rescue is in need of additional caring people to sponsor our horses at all times. We need more than one sponsor per horse and every horse needs a sponsor. Most of our horses are in need of more than one type of forage hay, pelleted feed, rice bran, shavings, additional veterinary & specialized farrier care, additional dental care, medication, supplements, training, & boarding. This goes above and beyond what the average horse owner will commit to for a period of 6 to 9 months, or longer, to rehabilitate a shelter adopted horse. We commit! 90% of our rescue equines remain in permanent sanctuary placement with our organization and need sponsorship for more than a year.

Despite our best efforts, some equines take longer than a year to rehabilitate and find a loving permanent home for. We believe that all equines, regardless of age, rideability, or special needs, have the right to live out their lives and start anew in peace, comfort, and well-being. It is our responsibility to ensure the best possible quality of care for each individual equine and surround him/her with love and dedication.

With your help, we are able to go above and beyond average boarding situations for our horses. We are able to feed them additional, and better quality forage hay, pellets, supplements, rice bran, medications, and give them additional veterinary & health care, soundness and farrier care, body work and chiropractic care, and training as needed. Our horses receive royal treatment, but only with the help of dedicated sponsorship support.

We are always looking for corporate sponsors, so if you are interested in asking your employer to match your funds monthly, or send a corporate sponsorship donation of \$1000 or more, this would be very helpful and appreciated. This is all explained on our website. Feel free to review this with your employer. We are happy to advertise any supporting corporation on all of our social media and in our networking through the Humane Society of the United States Safe Stalls Network Program. It's an incredible gift to the horses, and to yourself. Giving in the name of someone who has passed away to honor someone's life, or to celebrate someone with a birthday is also a wonderful way to give back to the community and honor those you love. If you would prefer, you can sponsor our rescue by purchasing a monthly gift card for one of the feed stores we shop

at, or you can set up an account that authorizes us to charge up to a certain amount for hay and feed when we need it. This is sometimes more convenient to you and gives you peace of mind that your support is going straight to the cause; our horses' mouths!

No matter how you choose to sponsor, every penny counts! On average, one starvation rehabilitation case horse costs our rescue anywhere between \$5000 and \$1000 in a period of 6 months for full rehabilitation, prior to being placed available for adoption or sent to a sanctuary for retirement. In order to keep doing what we are doing, we desperately need help from generous sponsors in the community. Please help make a world of difference by sponsoring a senior equine angel for Animal Guardians Horse Rescue, Inc. Thank you for your support!

Please join our rescue as a family member and horse sponsor today! Every penny is tax-deductible. Thank you.

**Sponsorship Levels: All Sponsorship Levels are a 12 month commitment.**

- **H.O.T. (Horses On Top) Priority List – Group Sponsor:** \$25 - \$74/mo. donation
